Solutions through Partnerships?

Contract Recruitment

Redwood work with both Limited Company and PAYE Contractors. We develop long term relationships with our Contractors. Working closely with Contractors has paid dividends for our Clients.

Permanent Recruitment

We recognise that people are a company's most important asset. Our strategy is to match the right person with the right vacancy. We can offer a wide choice of candidates through our extensive database, interactive website and other industry specific websites. We pre-screen all candidates to ensure they have the correct technical skills and aptitude for the role.

Managed Services and Preferred Supplier Solutions

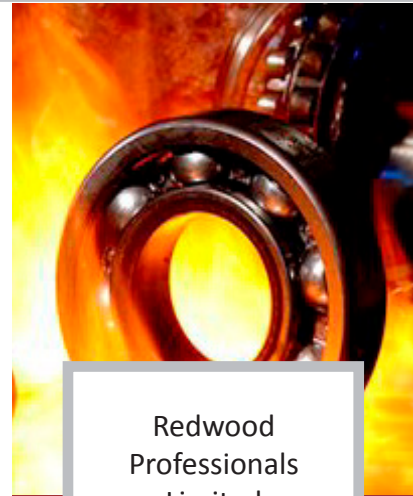

Master Vendor or Managed Service contracts offer clients a 'one-stop' solution for Engineering and Technical recruitment. This also reduces your suppliers' cost and time by supplying a single point of contract and billing.

Value-added-Services

- In-house, face to face interviewing facilities
- Head Hunting - Client led and directed
- Security Checks
- Health Screening
- Psychometric testing
